How to Login as student?

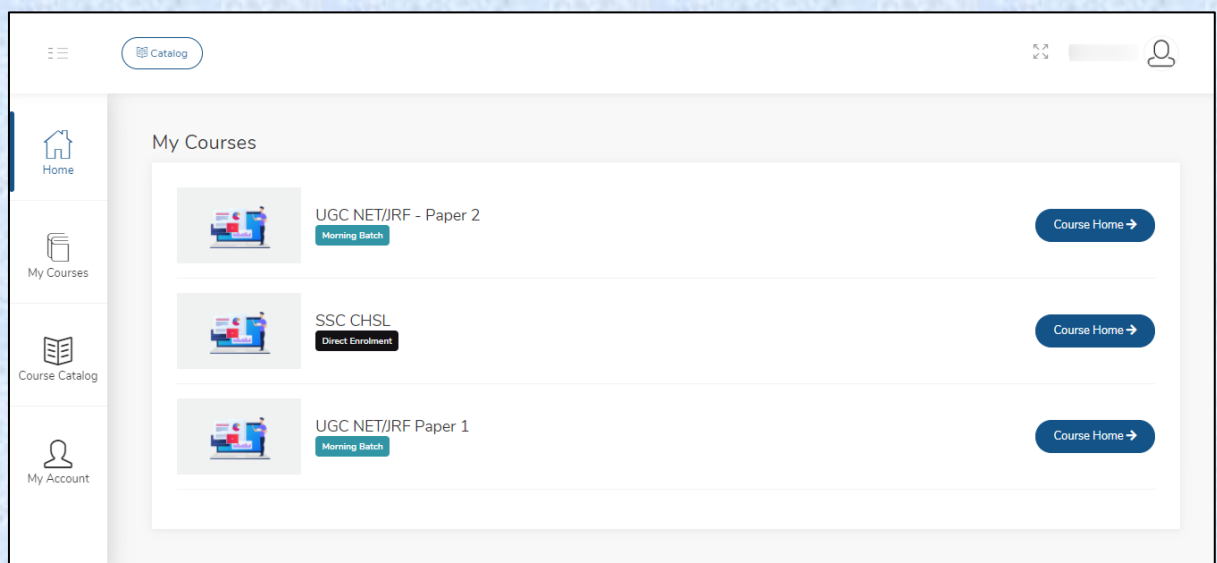

- After successful registration student will be redirected to login page.
- SMS will be sent on registered mobile number with login details like URL, Login ID, Password and access code.
- Enter registered mobile number and password
- Access code will be automatically filled after registration.

The image shows a login and registration interface for Apex Coaching. On the left, a dark blue box contains the text "DON'T HAVE AN ACCOUNT? SIGN-UP" and a button labeled "Register as a student". On the right, a white box contains the text "Apex Coaching" and "Sign in with your credentials". Below this, there are input fields for "Mobile/Email/User-id" (with a placeholder "Mobile No/Email-id/User-ID"), "Password", and "Access Code". There is also a "Reset password" link and a blue "LOGIN" button.

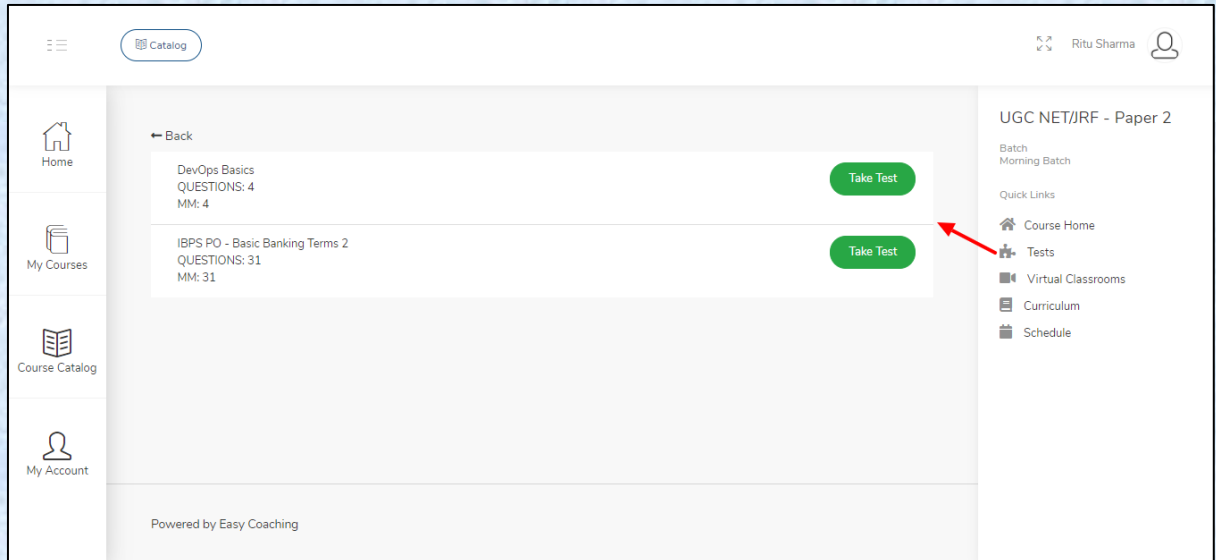

How can student view his/her enrolled course?

- After logged in to your coaching account you will see a dashboard.
- Click on "My Courses" showing on left side menu.
- Also on dashboard you will see the list of your enrolled courses on top of the page.

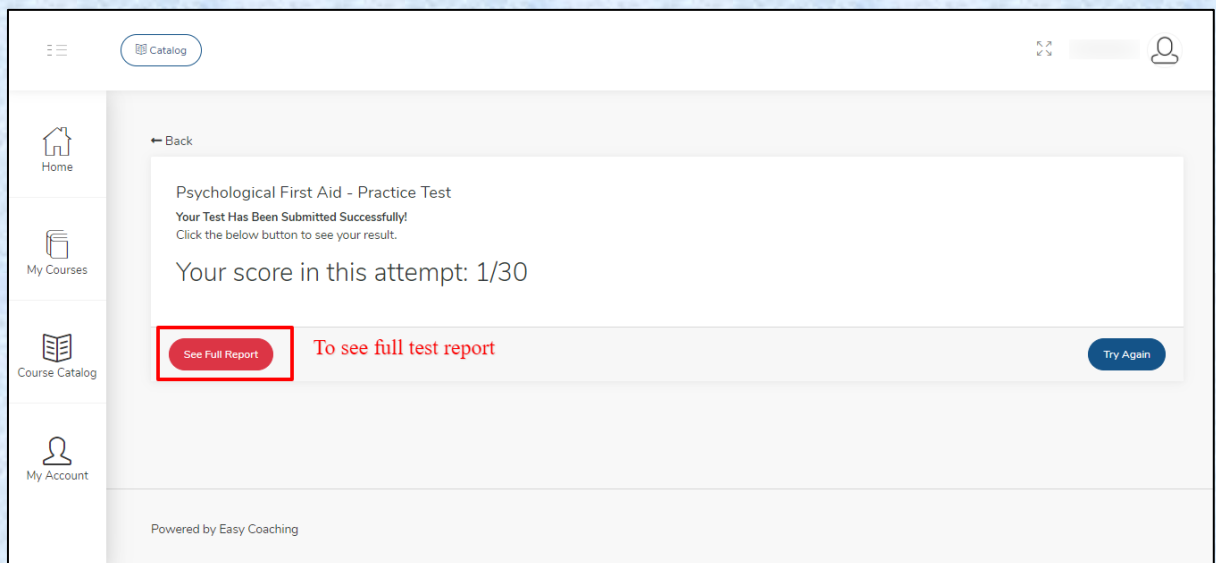

How to view my enrolled tests?

- You can view your latest tests on dashboard with the name of "My Tests" block as well as Go to My Courses on left side menu.
- Inside the course you will see "Tests" link on right sidebar
- Click on the link. You will see the lists of all tests available.

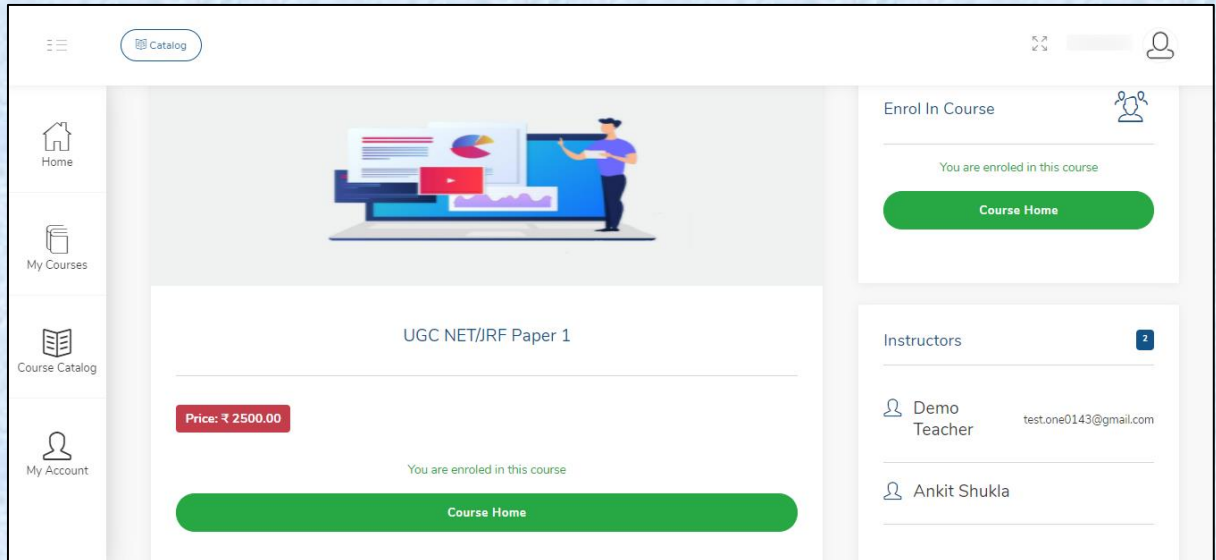

How to attempt test and check test report?

- Go to “My Tests” on Dashboard and click on “Take Test” button.
- After attempting and submitting test. You will see report of your given test.
- Or you can go to “Test Taken” link showing inside the course.

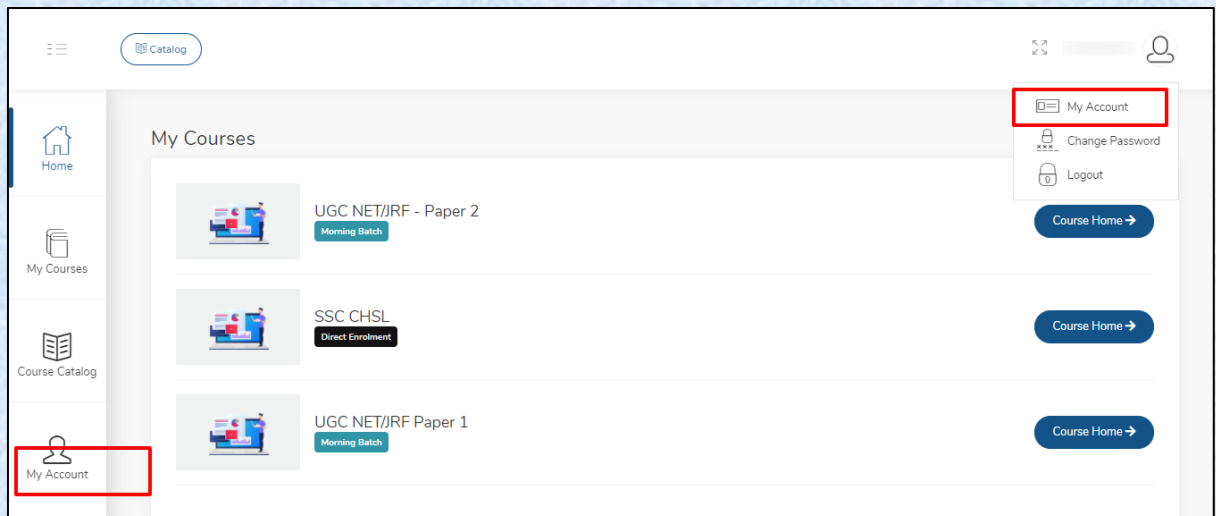

How to check Course catalog?

- Click on “Side bar” option?
- You can see here “Course catalog” button?
- Click on “Course catalog” button.
- Now you can check course catalog.

How to check our Profile?

- Click on "Side bar" option.
- You will see here "My account" button.
- Click on "My account" button.
- Now you can check your "Profile" and also you can change details.
